

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of Omniplex Communications Group, LLC. (U-5831-C) for a Certificate of Public Convenience and Necessity to Operate as a Limited Facilities-Based Provider of Local Exchange, Interexchange, and Wireless Telecommunications Services Within the State of California.

Application 00-09-051
(Filed September 22, 2000)

**ADMINISTRATIVE LAW JUDGE'S RULING REQUIRING TO
INDICATE WHETHER IT WANTS TO PURSUE THE APPLICATION**

The application as filed did not meet all of the requirements for approval. On October 27, 2000, I faxed a request for additional information to the applicant's counsel. On November 8, 2000, I received a partial response to my information request. I have made subsequent inquiries, but have been unable to get a response from the applicant. It appears that the applicant no longer wants to pursue the application. Therefore, if I do not receive a response to this ruling by the date specified below, I will assume that the applicant wants the application dismissed. I will then prepare a decision for the Commission's consideration that dismisses the application for failure to prosecute.

Therefore, **IT IS RULED** that:

1. The Applicant shall file a response to this ruling no later than December 20, 2001.
2. The response shall indicate whether the applicant wants to pursue this application.

3. If the Applicant wants to pursue this application, the response shall include the rest of the previously requested information.

Dated December 3, 2001, at San Francisco, California.
